Campbell Biology: Concepts & Connections Plus Mastering Biology with eText -- Access Card Package (8th Edition) Jane B. Reece. 4.2 out of 5 stars 153. Hardcover. ... I use it for my Pre AP and my AP Biology students. My HUGE gripe though is about the construction of the book. I bought about 35 of them last year on Amazon, brand new.

## [Big Idea #1: Evolution - AP Biology](#)

The questions, in contrast, focus too much on specific details and too little on the broader concepts. The new AP Biology test gives students specific details and asks them to connect this to other topics they have learned, but the questions in this test prep book come nowhere close to asking this. The free response sections are atrocious as well.
