The concept of symbolic power was first introduced by French sociologist Pierre Bourdieu to account for the tacit, almost unconscious modes of cultural/social domination occurring within the everyday social habits maintained over conscious subjects. Symbolic power accounts for discipline used against another to confirm that individual's placement in a social hierarchy, at times in individual ...

This led to entrenched forms of racism. In the modern period, that is, since 1492, colonial powers initially included the Dutch, English, French, Portuguese, and Spanish. Later, other European states also became involved, such as the Belgians and Germans. In the 20th century, the United States, too, became a colonial power.
