Is America a Christian Nation? by David Barton Modern claims that America is not a Christian nation are rarely noticed or refuted today because of the nation's widespread lack of knowledge about America's history and foundation. To help provide the missing historical knowledge necessary to combat today's post-modern revisionism, presented below will be some [...]

R3. In-Text Citations. R3.1. For standard legal documents, in-text citations are rendered either as (i) a complete sentence that supports a claim in the immediately preceding

sentence of text, or, (ii) when the citation relates to a particular part of a sentence, as a clause within the sentence, immediately following the claim it supports.

The history of the metric system began during the Age of Enlightenment with measures of length and weight derived from nature, along with their decimal multiples and fractions. The system became the standard of France and Europe within half a century. Other dimensions with unity ratios were added, and the system went on to be adopted across the world.. The first
