Gift guide: 2020's best photo books for photographers ...

We've written a guide to the best Sony a7III lenses, but another issue some photographers have with Sony cameras, in general, is the lack of lenses with character – they're all just a bit too perfect! (Obviously, this isn't necessarily a bad thing, but you don't get those crazy Canon L-lens flares, for example.)

A Simple Business Guide for New Photographers

The Sony A7S III is Sony's newest full frame mirrorless video-oriented camera with 4K @ 120fps capability and a wide range of recording options for any workflow. Our full review includes sample underwater photos and video.
